The Greater New York Dental Meeting kicks off its 95th Year!

by JAYME MCNiFF SPicciatie, GNYDM Program Manager

Greater New York Dental Meeting Dates:
Scientific Meeting Dates: Friday, Nov. 29 — Wednesday, Dec. 4
Exhibit Floor Dates: Sunday, Dec. 1 — Wednesday, Dec. 4

The Greater New York Dental Meeting (GNYDM) welcomes you to the Jacob K. Javits Convention Center.

Walk the exhibit floor for free and visit over 1,700 exhibit booths. Don’t miss out, pre-register now: www.gnydm.com.

The GNYDM offers hundreds of educational programs including seminars, hands-on workshops, essays and scientific poster sessions from some of the most highly regarded educators in the field of dentistry including a wide array of topics: pediatric dentistry, Botox, implants, orthodontics, endodontics, oral surgery, forensics, public health, lasers, 3D technology, periodontics, CPR, ethics and so much more!

Take advantage of the CE Passport and register for multiple courses or bring your entire team for daily seminars and essays for a set price.

Visit the GNYDM Health Fair

The Greater New York Dental Meeting Dates:
Scientific Meeting Dates: Friday, Nov. 29 — Wednesday, Dec. 4

FRIDAY
WEDNESDAY
NOV. 29 DEC. 4
95th Annual Greater New York Dental Meeting
Consider Yourself One of Us!
Volunteer at the GNYDM

by STUART L. SEGELNICK, D.D.S., M.S., SDDS BULLETIN EDITOR

Excitement is leveling up as we approach the 95th annual Greater New York Dental Meeting (GNYDM). Make sure you’ve blocked out your work schedule and reserved your hotel rooms because this year’s Meeting aims to please everyone. Even if you live close by, this is a great time to stay over in Manhattan and take in the many wonderful sights. My family and I love to spend our time soaking up all that the city has to offer, from the Thanksgiving Day parade, seeing a Broadway show, dining out and shopping around. Experiencing the GNYDM doesn’t require all these extravagant additions; however, it does make us happy.

I was recently speaking with this year’s chairman of the GNYDM, Dr. Lauro Medrano-Saldaña who has been successfully bringing dentists to the Meeting and increasing participation. Whether you are a first timer, someone who attended in the past and hasn’t recently, or a die-hard GNYDM attendee, Dr. Medrano-Saldaña wants you to feel special. Free online registration is still open and the only time it is too late to register for free is the day the Meeting begins. The GNYDM always welcomes with open arms volunteers, especially from Second District Dental Society (SDDS) and New York County Dental Society (NYCDS). I’ve even heard Dr. Medrano-Saldaña tell volunteers that they are “part of the family” and will be treated like VIPs. Consider volunteering; the GNYDM has made it easy with online volunteer forms which can be found at https://www.gnydm.com/volunteer/volunteer-sign-up/ that match you up with volunteer positions you enjoy.

The volunteer appreciation dinner this year will be held on Monday, Nov. 25 and look out for emails letting you know where it will take place this year. Since the GNYDM is the biggest dental meeting in the country, you will find every conceivable dental vendor there. I always save my big orders for the Meeting and I can say from experience that I get the best deals! As far as continuing education is concerned, the Meeting has focused recently on specialized programing so you can find premier courses at the World Implant Expo, Global Orthodontic Conference, Pediatric Dentistry Summit, Sleep Apnea Symposium, 3D Printing & Digital Dentistry Conference, Public Health Conference and the Oral Cancer Symposium. You can easily have all your state CE requirements taken care of at the GNYDM.

Another very special component of the GNYDM is networking. Whomever I have ever interviewed always shared a story of connecting with someone at the Meeting. A long-lost classmate, a past teacher, a friend, a new friend, a famous speaker, a vendor, a well-known politician, a scientist, a dental company CEO, the list goes on. Whomever you wind up meeting, I personally hope to meet you there this year to specifically thank you for attending and let you know you’re appreciated and “one of us.” Because only together can we continue making this Meeting the best in the nation.
The Greater New York Dental Meeting Kicks Off Its 95th Year

Continued from Page 1

on Sunday, Dec. 1 from 10:30 a.m. – 5 p.m., for free screenings including oral cancer & caries screenings, body mass index, vision screening, blood pressure test, hearing screening, flu shots, pneumonia and shingles vaccinations, and a diabetes risk assessment exam.

The 2019 Lineup of Specialty Programs & Events

- **3D Printing & Digital Dentistry Conference:** The 3D and digital extravaganza will include educational programs that will explain and demonstrate 3D printing, CT scanning, advanced technologies and other innovations in digital dentistry. Whether you are currently using this technology or thinking about incorporating it in the future, this four-day symposium is a must for all dental professionals. Offered Sunday, Dec. 1 – Wednesday, Dec. 4.

- **Two-Day Public Health Symposium:** This unique panel of healthcare professionals discusses strategies and activities of oral health programs including state and national goals for reducing dental diseases, insurance, volunteer care and much more! Offered Tuesday, Dec. 3 and Wednesday, Dec. 4.

- **The 2nd Annual Pediatric Dentistry Summit:** This program, co-sponsored by the American Academy of Pediatric Dentistry, will benefit both pediatric dentists and general dentists. Learn new techniques and refresh your approach to the treatment of your young patients.

- **World Implant EXPO** facilitates the education of dental professionals in all aspects of implantology. The exhibit floor includes the sale of implants, associated materials and technology solutions. Workshops, seminars and essays are offered daily.

- **Global Orthodontic Conference** includes companies involved with orthodontic products, technology, materials and equipment, as well as incorporates a full educational program for specialists and general practitioners focused on orthodontics.

- **Standard Proficiency Laser Seminar & Workshop** is a six-hour didactic laser competency course. Learn a comprehensive overview and a basic understanding of the diode dental laser. This program satisfies the Academy of Laser Dentistry’s basic competency course. Attendees demonstrate clinical simulation on pig jaws and must pass a written exam to achieve the Academy of Laser Dentistry Basic Competency. Offered Tuesday, Dec. 3.

- **Sleep Apnea Symposium:** In partnership with Dental Sleep Practice (MedMark, LLC), this program presents the latest research and awareness in dental sleep medicine by the top educators in sleep dentistry. Learn how to establish dental sleep medicine protocols in your practice, identify patients at risk, integrate medical practice systems and treat patients successfully.

- **Dental Laboratory Education** presented by the laboratory technician with specialized education, demonstrations, digital dentistry and technology for technicians and dentists in a side-by-side integrated, hands-on experience. Learn about 3D printing, implant overdentures, case design for removable prosthetics and so much more!

- **Pre-Dental Conference** is offered on Sunday, Dec. 1 from 9:45 a.m. – 12:45 p.m. and from 2 p.m. – 5 p.m. The Pre-Dental Conference offers a unique networking experience between prospective dental students and admissions personnel. The GNYDM offers services to help students discover available opportunities offered through available dental programs and explains the admissions process including the interview process, applications, and financial aid. If you know anyone interested in starting a career in dentistry, this is the program they should attend.

- **New Dentist Programs** focus on startup strategies and pathways to practice ownership for the new dentist. The programs are offered on Sunday, Dec. 1. The specialized New Dentist Programs are designed for those who graduated in the last 10 years.

- **Education for Hygienists & Dental Assistants** on the exhibit floor each day of the Meeting including hot topics: managing acute dental pain, opioid analgesics, documenting, whitening and much more!

- **Social Media Cafe** with seminars and workshops. Learn how to create a buzz about your dental office, increase followers and your digital footprint. Create your brand through social media and finally, discover how to keep patients coming back year after year with an updated website.

- **Botox, Dysport and Dermal Filler Seminars and Demonstrations:** These unique and most popular hands-on workshops/demonstrations introduce procedures on actual patients to teach dentists skills on how to use Botox/Dysport and dermal fillers in their practices. Offered Sunday, Dec. 1 – Wednesday, Dec. 4.

- **International Programs** offering educational courses in French, Portuguese, Russian and Spanish. There is a designated workshop room for live Portuguese translation for all morning and afternoon sessions. See page 22 of your GNYDM program guide for course listing.

- **Invisalign EXPO:** Four days of Invisalign programming are offered for the entire dental team; learn how to incorporate Invisalign into your practice. Sunday, Dec. 1 – Wednesday, Dec. 4.

- **Free “Live” Dentistry Arena** is a revolutionary concept of live patient demonstrations performed in an operatory built on a stage on the exhibit floor. This arena seats over 550 people with a groundbreaking audio-visual system to blow you away! Attendees have the chance to earn up to 24 hours of FREE CE credits. Seating is first come, first served.

In addition, earn FREE certified education credits by walking through the four-day exhibit floor or attending the scientific poster session on Sunday, Dec. 1 from 10 a.m. – 2 p.m. Attendees can also learn about hospital residency programs throughout the Northeast by attending the Residency Fair from 9:30 a.m. – 12 p.m.

*Stay in tune during the show by following and liking the @GNYDM*
Thank You to Our GNYDM Volunteers!!

Second District Dental Society (SDDS) would like to thank our members for volunteering to help run the greatest dental meeting in America, the Greater New York Dental Meeting (GNYDM)! We are publishing the names of this year’s volunteers to show our gratitude for all their much needed and appreciated efforts. If you would like to volunteer for the 2019 GNYDM, it’s not too late! E-mail Victoria at victoria@gnydm.com or call her at the GNYDM office at (212) 398-6922. The funds received from the GNYDM are an integral part of the finances needed to run the SDDS and our many wonderful programs. Thank you!

Shared Ownership Program

MSO’s • DSO’s • DMO’s • All-In-One Mega-Offices • Increasing Rents
Low End Insurance Operators • Growing Complexity and Cost of Technology

HOW CAN YOU COMPETE?

Aggressive expansion based strategies might not sound appealing to you. Still enjoy dentistry, but the management and economics are stressful? Aging physical plant? Income not keeping pace with inflation? Still need to work to live, but you know it’s time to step back and appreciate life more and to find your passions outside of dentistry?

If you still have a decent practice and loyal patients, but you need a break, a good job for the next few years, and to get most of your equity out to fund your future retirement. Then our Shared Ownership program custom tailored by our team of seasoned transition experts may be the answer for you!

Call us today to find out. Confidentiality guaranteed.

ORAL IMPLANTOLOGIST & PERIODONTIST (STATEN ISLAND) — Oral Implantologist and Periodontist wanted! Looking for a motivated person who specializes in the prevention, diagnosis, and treatment of periodontal disease, and in the placement of dental implants. The position is located in Staten Island, New York. Please contact the office at (718) 442-8440 or our E-mail Numatti-adds@gmail.com. Thank you.

GENERAL DENTIST AVAILABLE — General Dentist available 1-2 days/week and alternate Saturdays. Bay Ridge area, Park Slope, North Brooklyn and Staten Island. (917) 301-4436.

ASSOCIATE WANTED — As sociate wanted for established family practice in active S.I. location. Restorative and crown and bridge necessary. Ideal for a DDS or DMD with established practice that needs to relocate, or someone starting out. Long term looking for an associate-ship. ddsstatenisland@gmail.com

GENERAL DENTIST — General dentist wanted for general and multi-specialty dental practice with locations in Brooklyn and Staten Island. 3 years experience recommended. Proficient in C&B, endo, implant restoration, and Invisalign, all with an eye towards cosmetics. Days/hours flexible for the right person. If you have a positive attitude and are a team player, send your resume to dimiandental@gmail.com or call Dr. Venterina at (917) 689-3911.

FT/PT EXPERIENCED DENTIST (BROOKLYN) — Modern, fast paced private practice in Brooklyn is seeking a FT/PT EXPERIENCED DENTIST proficient in performing all phases of dentistry, including molar root canal therapy, surgical extraction, and cosmetic dentistry. If you are looking for a career opportunity with unlimited professional growth potential on a partnership track, as well as a friendly and supportive work environment, please submit your resume to familiesmile dental@gmail.com or call (718) 332-4060 (Tanya). Applicants should be committed to high quality patient care and excellent customer service. Russian speaking and familiarity with EagleSoft software are pluses.
In this course, attendees will learn how dentists play a very important role in identifying, screening and treating patients with airway-related disorders while asleep and awake. They will also understand how craniofacial development plays a key role in the timeline of airway dysfunction. A full discussion of how soft tissue dysfunction complicates craniofacial and airway development, potentially leading to breathing disorders while asleep and awake will:

- Understand how breathing and airway impact “breathing disordered sleep”
- Realize the condition of the airway affects overall health and wellness
- Learn the impact an unhealthy airway can have on total body inflammation and risk of heart attack and stroke
- Know that soft tissue dysfunction affects craniofacial development, creating a foundation for proper airway development
- Understand how early recognition and intervention of airway disorders helps prevent further damage and stress
- Learn about other health professionals needed in treating affected patients, including myofunctional therapists
- Learn the important role dentistry plays in screening as well as treatment
- Learn implementation of a system for screening, data collection, diagnosis and risk assessment, treatment and outcome metrics for airway and breathing dysfunction
- Understand dentistry’s role on a team of professionals in managing patients with airway and breathing disorders
- Know sleep apnea is the end stage of breathing disordered sleep and must be managed as a first phase of treatment
- Understand how to recognize and treat patients with upper airway resistance syndrome
- Learn a strategy for managing sleep apnea – diagnosis, management and potential resolution
- Understand concepts of epigenetics
- Suggestions for communicating related information to patients and other health care professionals

SCIENTIFIC EVIDENCE TO SUPPORT DENTISTRY’S ROLE IN MANAGING DISORDERS

Dentistry's role in the management of dental and periodontal treatment complications is well documented. However, the role of dentistry in managing systemic diseases is less recognized. This course will introduce the scientific evidence supporting the role of periodontal therapies and systemic diseases.

- Understand the role of periodontal therapy in the management of diabetes, cardiovascular disease, and respiratory disease
- Learn the role of periodontal therapy in cancer care
- Understand the role of periodontal therapy in the management of chronic infections
- Learn the role of periodontal therapy in the management of autoimmune diseases
- Know the role of periodontal therapy in the management of chronic inflammatory diseases
- Realize the role of periodontal therapy in the management of chronic infections

This presentation will provide attendees with an overview of how they can incorporate evidence-based periodontics into their practices. Participants will learn:

- The limitations associated with obtaining and interpreting the scientific evidence to support dental decision making
- The evidence to support a relationship of systemic diseases to periodontal disease
- The evidence supporting various non-surgical and surgical periodontal treatment options
MINUTES OF THE SEPTEMBER 16, 2019

BOARD OF TRUSTEES MEETING
President, Dr. Alyson Buchalter to call the meeting to order at 7:08 p.m.

PRESENT: Drs. Albiccocchi, Buchalter, Bina, Donato, Flagello, Quartey-Sagaille, Rosenwein, Segelnick, Mistersa, Bongiorno, Bucchigrosi, De Leonibus, Demas, Katz, Lieb, McIntyre, Meiselman, Osdinain, Richard, Sconzo, Teplitsky, Tuchak, Venterina and Wolfe

EXCUSED: Dr. Saad Butt

GUESTS: Dr. John DiMaggio, John Halikias, Steven Gounardes, Ian Lerner, Constantine Pavlakos, Craig Ratner and Renedia Reyes; Drs. Gagan Dhaliwal, Jennifer Wismer, Michael Pavlakos, Craig Ratner and Renedia Reyes; Drs. Emily Gavras, Hira Meiselman, Oshrain, Richard, Sconzo, Teplitsky, Tuchak, Venterina and Wolfe

DECEASED MEMBERS: Dr. George Bambara – University of Medicine and Dentistry of New Jersey, 1989
Dr. Myron Vinson – NYU, 1953

NEW MEMBER: Dr. Victor Mercado – University of the Pacific, 2012

REINSTATEMENTS: Dr. David Asad – NYU, 2005
Dr. Farshid Assaderaghi – NYU, 2002
Dr. Martin Blair – NYU, 1962
Dr. Allison Blustein – University at Buffalo, 2016
Dr. Lior Neuman – NYU, 2014
Dr. Joseph Radix – Howard University, 1984
Dr. Leonard Umanoff – NYU, 2014

TRANSFERS: Dr. Emma Guzman – University at Buffalo, 2017 (Transfer from Nassau County)
Dr. Amina Kaye – Stony Brook University, 2018 (Transfer from Nassau County)

GRADUATE STUDENT/RESIDENT MEMBERS: On file; see November 2019 Bulletin

ANNOUNCEMENTS: See “Upcoming Events” calendar

CORRESPONDENCE:
1. Letter dated July 6 to Dr. Stuart Segelnick, SDDS editor, regarding ICD award for SDDS newsletter
2. Card received July 2019 from family of Dr. Edward Pizzo (deceased) acknowledging SDDS flowers

REPORT OF OFFICERS AND STAFF: President — Dr. Alyson Buchalter:
• Thanked the SDDS caucus at the NYS Dentists House of Delegates for their time and hard work
• Offered special congratulations to Dr. Quartey-Sagaille on her successful effort to get a New Dentist representative on every NYSDA council with voting rights
• Due in part to the efforts of SDDS, NYSDA has made the ADA speaker of the house a New Dentist representative on every NYSDA council with voting rights
• Attended a meeting of SDDS GNYDM partnership adhoc committee to discuss the status of formalizing an SDDS/NYSDA partnership. Special thanks to Dr. Demas for running a highly productive meeting. More to follow after some questions are reviewed by our legal team
• Expressed her sorrow and condolences on the passing of Dr. Mortimer Divack, past general chairman and active member in the GNYDM for 60 years

• Thanked SDDS members of the second trustee district caucus who participated in the American Dental Association HOD in San Francisco
• Special recognition to Dr. Ratner for stepping in to lead the NY caucus when NYSDA President Dr. Goudarzi was ill. Also, kudos to Dr. Gounardes for running a hard-fought campaign for ADA speaker of the house

• Is very disappointed we do not have 100% leadership volunteering at this late time for the GNYDM and urged everyone to step up to the plate

• Attended a meeting of SDDS GNYDM partnership adhoc committee to discuss the status of formalizing an SDDS/NYSDA partnership. Special thanks to Dr. Demas for running a highly productive meeting. More to follow after some questions are reviewed by our legal team

• Expressed her sorrow and condolences on the passing of Dr. Mortimer Divack, past general chairman and active member in the GNYDM for 60 years

• Thanked SDDS members of the second trustee district caucus who participated in the American Dental Association HOD in San Francisco
• Special recognition to Dr. Ratner for stepping in to lead the NY caucus when NYSDA President Dr. Goudarzi was ill. Also, kudos to Dr. Gounardes for running a hard-fought campaign for ADA speaker of the house

As dentists, we must not only know the materials we use in our daily practice but also have selection criteria when there are multiple options. Materials for all-ceramic restorations used to be limited but with the advent of zirconia and CAD/CAM dentistry, various materials and techniques are available nowadays, which often makes it confusing for the dentist and often, lab technicians will select the materials. In this seminar, Dr. Najafi will highlight the required fundamental knowledge to move toward making practical selection criteria for all-ceramic restorations by the end of the course. To have an in-depth understanding of the selection criteria, the following will be discussed:

• Practical approach to dental porcelains and their classification
• Factors affecting ceramic fracture such as framework and core design, fabrication technique, etc.
Are you in need of a DENTAL ASSISTANT?

The Dental Auxiliary Training Center’s (DATC) “Fundamentals of Chairside Dental Assisting” course which started in March 2019 ended in June 2019 and graduates are ready for employment.

As a service to SDDS members, DATC has a placement service to help dentists find trained prospective employees. We will be happy to discuss your job requirements and help you find a mature, responsible and motivated dental assistant.

Your job information can also be anonymously posted on the DATC Facebook page. DATC students and graduates search this page to find out about current dental assistant positions and must call DATC to obtain details and point of contact information. To view these postings, look at our Facebook page under the “NOTES” tab and don’t forget to “Like Us.” Visit us on the web at www.datcny.com. As has been our policy for the last 33 years, there is never a fee for this service. Please call Lisa Lyle at 1(888) 595-3282 for more information.
Continued from Page 13

- All members of the NY delegation were very proud to witness Dr. Chad Gehani’s swearing in as ADA president
- ADA announced it has amicably severed its relationship with CVS in part due to the actions of the NYSDA HOD, which felt a conflict of interest with CVS’s recent agreement with SmileDirectClub
- Congratulation to SDDS: Our bulletin was awarded the International College of Dentists US section’s award for best small components newsletter. Also, congratulations to Dr. Stuart Segelnick for being elected vice president of the American Association of Dental Editors and Journalists

President Elect — Dr. Paul Albicocco:
- Attended GNYDM joint meeting which saw his appointee, Dr. Ian Lerner, join the committee
- Attended ADA HOD; great job to Dr. Ratner for taking over for Dr. Goudarzi and thank you for the chance to help in Dr. Goudarzi’s quest for ADA Speaker of the House

Treasurer — Dr. Raymond Flagello:
- Oral report given discussed Chase operating accounts and Vanguard portfolio

Executive Director — Mr. Bernard Hackett:
- Report previously sent, some highlights are the following:
  - Property tax assessment was reduced by $200,000
  - District liability claims will be meeting on October 17, will have some duplication of specialties as we are trying to bring some new committee members in
  - Hodgson Russ law firm working on formalizing trademark and logo for GNYDM. International protections also being completed through a treaty with one country

ADA House of Delegates — Dr. Mitchell Mindlin:
- ADA to develop a policy on cannabis and vaping use
- Work group tasked to come up with a strategic policy regarding Eldercare and a policy on Medicare
- Resolution passed to develop a screening protocol for pediatric airway evaluations
- Membership council was tasked with streamlining dues and it was discussed in depth. The HOD passed a resolution to eliminate 25% discount for active life members, reduce the phase-in for new dentists from 5 years down to 2, and tied an annual dues increase for full members to the CPI
- Congratulations to Dr. Chad Gehani, the first naturalized citizen elected as president of a national organization of this size
- Congratulations to Dr. Gournardes on a very well-run campaign
- Dr. Maranga is running for ADA second VP in 2020
- Congratulations to Dr. Ratner for doing a great job on short notice filling in for Dr. Goudarzi
- Thanks to all delegates who attended and worked together at the ADA HOD
- Dr. Ratner thanked Dr. Robert Korngut for bringing up the idea of developing a screening tool for deep apnea at Give Kids A Smile events. This was the genesis for the resolution that was brought to the ADA by the NYSDA and passed by the ADA to develop a consensus-based protocol for screening children in our offices and ultimately at Give Kids A Smile events

NOMINATING COMMITTEE — Dr. Alyson Buchalter (email)
RCDS Branch Society Report — Dr. Charles Mistretta:
- Meetings have been well attended, thanks to Dr. Venterina and making the first 30 members attend for free
- RCDS installation will be next January at Richmond County Country Club
- RCDS Golf outing next June will be at the Richmond County Country Club; RCDS trying to organize a spa, tennis or bocce event as well.

New Business:
- RCDS installation will be next January at the Richmond County Country Club; RCDS trying to organize a spa, tennis or bocce event as well.

Adjournment:
- 8:22 p.m.
